Shady Banks

Saturday—Dec. 16th
Hortic Park

Annual Shady Banks Hayride
and Potluck Supper
7:00 –9:00 p.m.

This popular family-oriented activity brings neighbors together. While the hayride is looked forward to, especially by the youngsters, everyone looks forward to the wide array of food. There are some really good cooks in Shady Banks. But, if you aren't a cook (many of us aren't), pick-up something from a grocery store deli. Keep in mind there is usually about 100+ folks—you don't have to feed them all but please bring at least servings for 6 to 8. But, Please don't come empty handed.

City policy prohibits alcohol in the Park. Bummer.

Your Assoc. provides plates, etc. and water.

This party is a neighborhood party and helping hands setting up or breaking down will be needed. Watch nextdoor.com for the deets.

Adopt a Tree Program

“Adopt a Tree” has trees available for property owners wishing to either replace a tree lost in the storm or plant a tree in your swale. The trees are 10’ - 12’ tall.

The property owner at the location where trees are to be planted in the swale must sign they are in support of the tree being placed there.

Contact Mark Williams, 954-828-5785. Right now the supply may be somewhat limited due to the storm.

Fort Lauderdale has a Community Emergency Response Team (CERT) program that trains and certifies individuals to respond to emergency and non-emergency incidents as a volunteer extension of the Fire Department. These volunteers can be activated to provide first aide, fire suppression, light search and rescue and overall community damage assessment. I recently became a member of CERT and within weeks of my training Hurricane Irma came to town. After the storm passed I provided the local Fire Department with a Rapid Impact Assessment (RIA) of Shady Banks, letting them know which streets were impassable due to downed trees and location of visual damage to infrastructure, such as electrical lines.

If you are interested in joining me in organizing this effort – both gathering of community information, as well as pre storm preparation and post storm assistance efforts, then please let me know.

This is a literacy initiative, spearheaded by Jet Blue Airlines and partnered by the City of Fort Lauderdale and our Shady Banks Civic Association. There are book boxes located throughout the City and one is in our own HORTT PARK.

And parents, while kids pick a book from the Hortt Park Book Box, you should check out what's on the grown-up shelf. It's all free and you don't have to leave a book just bring one back whenever you can. Next time you're out and about watch for bargain books and when your youngster finishes drop their book in the Hortt Park Book Box. This keeps the supply fresh.
