

Sept/Oct 2017

Shady Banks

House Numbers on Seawall

House numbers must be a different color than the house, a minimum of 4" tall and clearly seen from canal.

If you are given a violation notice, you have thirty (30) days to rectify without penalty.

Thanks to Laila Haddad, S.B. resident for bringing this to our attention.

Little Free Library

The Little Free Library in Hortt Park will be getting a new look! Larger and an additional space for children's books.

Please utilize. If you have books your kids have outgrown please donate them for others to enjoy.

Reading is fun for everyone.

Safe Drug Disposal

Walgreen's @ 441 and Broward Blvd.
954-463-9937

CERT

Neighbors helping neighbors. With FREE training, you will be prepared to join Fort Lauderdale's CERT program

Fort Lauderdale's CERT program will train you to respond to emergencies in our neighborhood. Following a disaster, it is natural for citizen volunteers to want to help. However, without appropriate training volunteers can be ineffective or even worse, they risk causing injury or death to themselves or others.

With CERT training, you will learn to safely assist yourself, your family and neighbors using basic emergency response and organizational skills. These skills will help save and sustain lives until professional rescue personnel arrive.

For more information contact
Domestic Preparedness & Emergency Management Bureau at 954-828-6700 or online at

This is an excellent opportunity for fall cleaning; making a head start on holiday prep. Halloween, Thanksgiving, Christmas or Hanukkah will be here before you know it. Watch for add'l. details on

www.nextdoor.com or www.shadybanks.org

Your Association widely advertises this event—generating a good turn out!

Some Driving Facts

9% of all drivers 15—19 yrs. involved in fatal crashes were reported as distracted at the time of the crash. This age group has the largest proportion of drivers who were distracted at the time of the crashes.

According to a 2016 State Farm survey, teens who reported using their smart phone while driving were much more likely to report being involved in a crash while driving and exhibiting other dangerous driving behaviors including speed, failing to wear seatbelts, and driving under the influence of alcohol or drugs. Distracted driving is any activity that diverts a person's attention away from the primary task of driving. **All** distractions endanger driver, passenger, and bystander safety.

According to a study by the Virginia Tech Transportation Institute (VTTI), **sending or receiving a text takes a driver's eyes off the road for an average of 4.6 seconds; the equivalent of driving blind at 55 mph for the length of entire football field.**

The Ad Council and National Highway Traffic Safety Administration (NHTSA) launched a cam-

paign in 2012 to raise awareness of this dangerous behavior.

The campaign shows drivers that no matter how "safely" they think they can engage in distracted driving, the behavior is always dangerous—for every driver, all the time.

Here are a few apps that address the issue:

Drive Safely—reads your text messages and emails to you while you are behind the wheel.

AT&T's *Drive Mode* app can send an auto response to any text received while driving.

Textecution—offers parental controls that can disable texting while driving.

There isn't anyone who gets behind the wheel that doesn't believe they are a good driver. That they do not have any bad habits like using knees to steer, eating or drinking sodas or hot coffee, putting on make-up, checking their phone, or some other distraction. I admit to one or more at one time or other, how about you or your kids if applicable?
