President's Message

Hello Neighbors,

I am happy to report that we made progress and have accomplished a lot in many areas in the past few months.

On April 26th our District Commissioner/ Vice Mayor Ben Sorensen held an open Forum at City Hall. Board member Jacob Newman and I, attended the Forum and expressed our concerns with traffic and other issues our neighborhood is facing. On April 27th I attended Arbor Day and met Vice Mayor Ben Sorensen again. We are moving all our projects forward with the help of our Mayor and Vice Mayor.

On April 28th Gene Groves ran another successful Flea Market and raised much needed cash for our upcoming events.

On May 8th, Board member and Representative to the Council of Civic Associations Dr. Joel Klass, and I attended Council's monthly meeting and we were briefed on the City's goals for 2018-2019.

On May 10th, VP Alycia Wolski and I attended the 40th Annual Community Appearance Award ceremony where we were able to follow up with City officials on our upcoming projects in Shady Banks.

Bill and Rose Purswell are now doing the Movies in the Park, a favorite for all ages.

Barbara Haggerty and her Marina Advisory Committee continue working with the Marina developer and she will have a report at our upcoming neighborhood meeting.

Our Butterfly and Wildlife Habitat at Hortt will be given some TLC in the upcoming weeks with the help of our neighbors Jillian and Gene Cain. We are planning to add more butterfly attracting plants that were lost to hurricane Irma.

Mayor Dean Trantalis is coming to our May 30th Neighborhood meeting to update us and report on new goals for the City.

We have increased our membership by approximately 30% through our membership drive.

On April 25th, the Board voted to increase annual member's dues to \$20 starting January 1st, 2019. Lifetime membership will remain at a one- time only payment of \$100, our membership drive continues.

Hope to see you all at our Ice Cream Social on August 25th at Hortt Community Center.

Have a restful and joyful SUMMER!

Community Enhancement and Compliance Division

“As our beautiful City grows and moves forward into a sustainable future we are here to help ensure that our neighborhoods and properties continue to shine. Our purpose is to assure compliance, through education, with zoning ordinances and other code sections that are related to private property usage and which address promoting health, safety, property preservation, and community enhancement.

Our division works seven days a week to help property owners meet their obligations and responsibilities, and to prevent property values from falling. The standards set by our Code of Ordinances protect us all from substandard conditions.

Keeping our City safe and in great condition is essential because when properties become deteriorated beyond a usable point this translates into additional costs for taxpayers, crime occurs more frequently, and our neighborhoods becoming dirty and unattractive.

Our mission is to work side by side with our neighbors to combat blight throughout the City and to influence and enhance the quality of life in Fort Lauderdale.
